**Subject: Application of Request for Extension of Master Thesis
Deadline**

Dear Examination Board:

I, Jalaj Vora, Matr. Nr. 221510, hereby request you for extension of the deadline of my Master Thesis by 4 weeks. My supervisor is Prof. Dr.-Ing. Bernhard Preim and I study M.Sc. Digital Engineering. The deadline was originally scheduled on 22.05.2023. Unexpectedly, the Thesis topic turned out to be more complex than originally expected, therefore I would require more time to complete it.

Thank you for your time and consideration.

Sincerely,

Jalaj Vora
